Norton Leatherman SPINE SYMPOSIUM

Treatment of disease in the aging spine for the primary care provider

Friday, Nov. 12, 2010

Marriott Louisville Downtown • 280 W. Jefferson St. • Louisville, Ky.

Education credits available

The Norton Leatherman Spine Symposium brings together the region's leading spine specialists to present studies and emerging trends in spine care – both surgical and nonsurgical. The symposium is designed especially for primary care physicians, physician assistants, nurses and other health care professionals involved in the care of patients with spinal disorders.

Keynote

Prevention and advanced treatment of osteoporosis and other metabolic bone diseases

Joseph Lane, M.D.

Orthopaedic Surgery
Cornell University

Registration fees
